## Thankfully a Spiritual Design For Living

Stay in great hope that with God all things will work out well, keep placing yourself and all your cares and concerns into God's Hands and you will remain at peace having the inner joy that comes with dwelling in the Presence of the Loving God. Flee from negative thoughts and be quick to think positively, going to God as soon as you realize your mind has drifted away and fear, worry or confusion is setting in. Remember when it comes to your thoughts what the Big Book says, "... the main problem of the alcoholic centers in his mind ..." (page 23). As well, we alcoholics have magic magnifying minds (Big Book pages 418-420), what we focus upon increases, focus on a problem, the problem increases; focus on the answer, the answer increases. So, with this realization we need to enhance our positive thoughts and not harbor any negativity-what we mainly think (contemplate) mostly upon will most likely become the actions we take and or the results positive or negative in our life. Choices like this are left up to each of us, as long as we keep making small positive choices they will accumulate over days and weeks into big, good results.

The Twelve Steps and Twelve Traditions give us the basis upon which we can think (meditate) and live (contemplate) a sober, positive, spiritual design for life. This sober/spiritual way of life is meant to give us quiet inner peace and the joy that only being in the Presence of God can give. A spiritual basis of living life gives us the Higher Power that we can stay sober by-the Divine Spirit of God heals the mind and energizes the soul. We will feel calm and relaxed once we have placed the process of the 12 Steps into our minds, lives, hearts, souls and daily actions. These Steps and Traditions resolve our spiritual malady which is our separation from God. These spiritual principles restore us to our right sane minds which will go a long way in solving all sorts of problems and troubles and protect us from many dangers.

**Have you heard it through the Grapevine yet?**

AA Grapevine has gone social! It has its own podcast! Each week, longtime AA members Don and Sam interview different members about their experience, strength and hope. The half-hour podcast is a casual "meeting after the meeting" with jokes, fun and the typical AA banter. Listening to a few episodes, it's a reminder that alcoholics are not a glum lot.

New episodes are available in English each Monday at 9:00am EST. The hosts interview their guests on getting sober, service, Steps, sponsorship and more. To listen to new or past episodes, visit www.aagrapevine.org/podcast (or wherever you get podcasts). By going to the website, members are able to email, call or leave voice recordings with comments, suggestions, jokes or recovery related questions for the Ask-It-Basket. Our Tradition of anonymity will be respected with all submissions on the show.
